Therefore, we would like to invite you and your company to attend and participate in the 2023 Workshop and invest in the advancement of GIS in Central Florida.

The workshop will take place at the [Ocean Center](#), September 11-12, 2023. Please note that we will make every effort to put workshop attendees in the vendor area at every opportunity. Each registered vendor organization will receive a half hour speaking spot if payment received before the June 30<sup>th</sup>, 2023 deadline.
